

Async about unit		
Async about Page Range		
Weight Page in Preview is not the same with the below info	 	

Duplicate Checkbox		
Missing the goto the last button		
Page Arrange is wrong the underline hot key		
Becase scale is not 100%, so Document and Paper can not be the same		
Missing Minimize and Close buttons		

<ul style="list-style-type: none"> - Using button with Print text instead of Ok text - Missing Cancel button 			
Unit not Units			
<ul style="list-style-type: none"> - Redudant checkbox or missing text for button - Position of these button are not good 			
Missing zoom out			
Missing option: Print odd/even pages only			

The page Arrange is redundant

Missing unit for weight
